

UAS / Unmanned Aerial Vehicle Rules and Human Factors in the Work Environment

This will be an indepth iteration of the UAS Part 107 rules as they apply to the Remote Pilot Operators and the Aviation Community for all. Additionally, Human Factors will be discussed in relationship to Aviation and your work environment.

Directions: The Safety Stand Down seminar will be conducted on the South end of the building. This will be in the open vestibule, right inside the front door. Whether you're flying in or driving, the building will be accessible during the seminar hours only.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
